

FOR IMMEDIATE RELEASE

Physicians and Surgeons Amateur Golf Association (PSAGA) Welcomes Esteemed Urologist, Dr. Elizabeth Mobley, to the Board of Directors

Chicago, IL — October 16, 2023 — The Physicians and Surgeons Amateur Golf Association (PSAGA), the nation's leading organization celebrating the golfing prowess of medical professionals, is excited to announce the appointment of Dr. Elizabeth Mobley to its Board of Directors. A distinguished urologist with a profound love for golf, Dr. Mobley exemplifies the spirit of camaraderie, professional excellence, and sportsmanship that PSAGA stands for.

Currently practicing in a single-specialty group in Austin, Texas, Dr. Elizabeth is renowned for her expertise in benign prostatic hyperplasia (BPH), pelvic organ prolapse, kidney cancer, and other benign surgical diseases of the kidney. Her commitment to excellence is reflected in her being honored as a 'Top Doctor' in categories of urology and women generally in Austin Monthly Magazine for three consecutive years. Beyond her medical accomplishments, she's an avid golfer whose favorite courses span from Twin Creeks Country Club to international destinations like Cape Kidnappers and Kauri Cliffs, the latter being the most challenging course she has tackled to date.

“Dr. Mobley’s blend of medical expertise, leadership in healthcare, and enthusiasm for golf represents the very ethos of PSAGA,” said Wendy J. Weiser, Executive Director of PSAGA. “Her perspective as a top-performing physician and golf enthusiast will be invaluable in guiding PSAGA’s initiatives and our mission of fostering professional growth and camaraderie among our members.”

Dr. Elizabeth's dream golf destination is the iconic Pebble Beach. She's a master with a pitching wedge, though she humbly seeks to improve her sand play. Her dedication to her family is unwavering, cherishing any opportunity for quality time, especially on the lake.

PSAGA’s mission resonates with Dr. Mobley’s personal and professional ethos. The organization aims to foster well-being and growth among physicians through golf, hosting qualifying events culminating in the prestigious PSAGA Masters Championship tournament. In incorporating Continuing Medical Education (CME) into its events, PSAGA ensures its members don’t have to choose between expanding their medical knowledge and pursuing their passion for golf.

Please join us in welcoming Dr. Elizabeth to the PSAGA Board of Directors!
